**The Synod on Synodality** began in Rome this week, on the theme: 'For a Synodal Church: Communion, Participation, Mission'. The aim of the Synodal Process is to provide an opportunity for the entire People of God to discern together how to move forward towards being a more synodal Church in the long-term. In light of Pope Francis' comment that 'without prayer there will be no Synod', we are all encouraged to unceasingly pray to God over the coming weeks for Pope Francis and for all members of the Synodal Assembly. Let us remember in a special way the Irish participants - Bishop Alan McGuckian, Bishop Brendan Leahy, Sr Patricia Murray, IBVM and recently elected President of the Union of International Superiors General, Sr Mary T Barron, OLA, who are all voting members, and Rev Professor Eamonn Conway (as Expert and Facilitator).
