National Board Safeguarding Review: The Irish Bishops' Conference, along with the Association of Leaders of Missionaries and Religious of Ireland, have commissioned consultants, RSM Ireland, to undertake a review of child safeguarding in the Catholic Church. One part of this review is to engage with survivors and victims of abuse, to seek their views on Church Safeguarding processes. Specifically, RSM would like to hear from survivors who have disclosed abuse within the last twenty years, to see what needs to be improved. For more information please contact: survivor.consultation@rsmireland.ie

The Synod on Synodality began in Rome this week, on the theme: 'For a Synodal Church: Communion, Participation, Mission.' The aim of the Synodal Process is to provide an opportunity for the entire People of God to discern together how to move forward towards being a more synodal Church in the long-term. In light of Pope Francis' comment that 'without prayer there will be no Synod,' we are all encouraged to unceasingly pray to God over the coming weeks for Pope Francis and for all members of the Synodal Assembly. Let us remember in a special way the Irish participants - Bishop Alan McGuckian, Bishop Brendan Leahy, Sr Patricia Murray, IBVM and recently elected President of the Union of International Superiors General, Sr Mary T Barron, OLA, who are all voting members, and Rev Professor Eamonn Conway (as Expert and Facilitator).

They died on 31 October 1871 at Drumaconnor House near Smithborough. Costumes made for a film, The Wilde Sisters, will be displayed and there will be music and poetry. €10 admission as usual.
