Canon Paddy McGinn, our Administrator in Monaghan parish and in Kilmore and Drumsnatt has received a new appointment as Parish Priest in Ballybay and neighbouring parishes. He will be greatly missed in the various parishes where he served as a priest and as Administrator. Ballbay parish and the other areas which he will serve will be blessed to have him.

Father Paddy served as a priest in Monaghan parish for 22 years. It would be impossible to calculate how many masses he said, how many marriages, funerals, baptisms and anointings he celebrated. He always did so with great kindness, care and support of the people to whom he ministered. We in Kilmore and Drumsnatt thank him for all he did for us in this parish. His relaxed rapport with people, his always pleasant manner, his wit and good humour were much appreciated by all of us.

Canon Paddy we wish you very good health, many fruitful years, a lesser burden of responsibility and very great happiness in your new place of work, serving God's people and building a strong Christian community.

We congratulate Fr Leo on his appointment as administrator for Monaghan and the other parishes for which he has responsibility. We in this parish promise him our support, cooperation and readiness to assist him in any way that we can. We have no doubt that he will continue with holiness, enthusiasm and energy the great work done by his predecessor.
