Wellbeing and Catholic Schools: Catholic schools create environments that foster resilience, hope, and moral integrity, ensuring students thrive not just academically but as whole individuals. As part of this, the Council for Catechetics and the Council for Education of the Irish Episcopal Conference have published a new document called *Wellbeing and the Catholic School* for primary and post-primary Catholic Schools across Ireland. This resource offers practical insights for school leaders, teachers, and parents to embed a Catholic vision of wellbeing into policies, curriculum, and daily practices. The document is available online here: <https://catholiceducation.ie/wellbeing-resources/> Hard copies are being distributed to schools and further supports are being planned.
